Candle Dipping – Self Driven

This is children's paradise. A large choice of friendly moulded and décor candles for the whole family to personalize your own candles with your children. You can dip them, paint them and style them using all sorts of various techniques. Dipping is free and if time is an issue or safety a concern the shop assistants will do it for you.

Other crafts for children include sand art and down to earth craft kits. At the Junction in Nottingham Road – 15 kilometres from Granny Mouse Country House & Spa.

Things we Love – Self Driven

Things we Love is a child-friendly restaurant situated 8 kilometres from Granny Mouse Country House & Spa. Wow! (Sigh) - Things we Love has a restaurant with not only a proper children's menu, it has baby-sitting services and supervision in all areas.

It is a good idea to take a break from meandering when you've got littl'uns. At Things we Love they can visit the animal farm, take pony rides, climb the large jungle-gym, play in the roofed-sandpit and bounce to their heart's content on the jumping-castle! For older children and those adults tired of shopping, take time out to fly-fish from the well stocked trout dams. Those "shop-a-holics" there is a farm stall, antique shop and unique collectables shop too on the property!

Chocolate Dipping – Self Driven

Challenge sugar and take the children to a session of Chocolate Dipping. Perfect for family bonding, the fun filled activity is guaranteed to be one the kids remember and want to go back to. For old and young alike, guaranteed to be like no other.

Heavenly Hammocks – *Self Driven*

The perfect place to take the kids to find a unique hand died hammock or hanging chair in a variety of styles and sizes.

Sizes include hammocks for children and adults, with “tree chairs” that are a favourite.

Zulu Lulu Art Bar @ Piggly Wiggly – *Self Driven*

Trayci Tompkins of the Zulu Lulu Art Bar on the Midlands Meander offers fun entertainment for youngsters where they can paint a specially prepared ceramic pig, plate or mug. Take-away packs are available..

“Ceramic artist Trayci Tompkins, and her creative studio group bring a fresh and original approach to their work. Working as a team each item is individually hand built – there is no mass production or moulding, so each piece brings with it a life and personality of its own.

Fantasy Toy Shop – *Self Driven*

The toy shop with a difference. We specialize in both fantasy and educational play, with locally manufactured wooden toys and décor, as well as an exclusive range of imported toys, puzzles and games.

Fantasy also has a Build a Bear inside the shop and the staff are very friendly and helpful. Perfect also for gifting.

Paintball – *Self Driven*

All kids will be thrilled at the prospect of a visit to the paintball area of Renegade Paintball. Bear in mind children need to be fairly tough and this is most suitable for kids aged ten and upwards, the Sgt Major will set the paintball guns at a suitable speed to eliminate the chance of injuries. Make sure the players listen carefully to his safety talk and clearly understand the safe distance recommendations.
